GENERAL GUIDELINES

If you are signing up your student, please be sure they understand these guidelines as well. We really appreciate this.

1. All individuals who sign up to work shifts must work the entire shift. (Please don't sign up for a shift if you can't stay the full shift) If you're unable to make a shift at the last minute, please contact Shanna Salzman at 612-859-1365 so we can adjust accordingly (call or text). All shifts are important to make this a successful garage sale/fundraiser.

2. During your shift, please work the whole time. There is a lot to be done in a short amount of time, please come prepared to work and to look for places to be helpful. Some of the duties for setup include: receiving, organizing, sorting clothes and on Thursday morning pricing. On Tuesday, Wednesday

and Saturday we have slots for someone who is able to lift 25 pounds or more. During the actual garage sale the duties include: being outside to monitor items for sale, organizing within Genesis, and cashiering. These are just a sample of duties.

3. Saturday Cleanup Shift: This shift is literally taking down the garage sale. This means taking all clothing off hangers and bagging all clothing. We will need to box everything else up and move everything into a moving truck. **NEW THIS YEAR: We will be taking all of the remaining items from the sale to the Valu-Thrift in SunRay to donate. We have added a couple of shifts for people to go with us to SunRay to help with unloading.** We also assist with setting the Genesis room back up for church. Other than the couple of shifts for the trip to Valu-Thrift, the cleanup shift has an approximate end time of 2:00 pm, but we stick around until everything is loaded onto the moving truck and we have the Genesis room setup. There are slots for individuals that are able to lift 25 pounds or more.
4. Payment: Everyone who signs up online ahead of time and signs in and out the day they work will receive an hourly “wage” (based on what the sale makes divided by number of hours worked) in their missionary’s student-account. (Replacements must be confirmed by Shanna Salzman).
5. During every shift please come prepared to be as kind and as helpful as possible. This is a great opportunity for us to raise funds and interact with lots of people who don’t attend our church. We want to make the most of this opportunity.
